Anargyroi FMS Foundation’s Vision

VISION

The Anargyroi FMS Foundation, Inc. envisions herself as a dynamic and highly reputable organization recognized for its ethical governance of resources.
2019 has been a good year for Anargyroi UST-FMS Foundation, Inc. as it worked hand in hand with alumni in engaging charitable undertakings in support of the delivery of distinct quality medical education and in anticipation of the 150th Foundation year of the Faculty of Medicine and Surgery of the University of Santo Tomas in 2021.

We are proud to be working with a wide range of dedicated caring individuals and organizations. Thankful to our alumni who have been supporting our cause from the beginning, helping with our mission in systematically managing resources in perpetuity to accomplish the excellence initiatives of the UST Faculty of Medicine and Surgery.

In 2019, our Regent’s Scholarship priority has given a total of thirteen students a start on their dreams in becoming doctors of our future. The Simulation and Research Laboratory started to make great progress with the help of the donations from our generous alumni through different project undertakings. We want to recognize and thank the alumni who supported the events, for the groundbreaking support given to the infrastructure that will help improve the way of learning for our future doctors.

We have been constantly growing and learning through our involvement with other alumni groups like the UST Medical Alumni Association Philippines, UST Medical Alumni Association America, UST Medical Alumni Southern California, UST Medical Alumni New York, and UST Medical Alumni Association America Foundation.

Our success is the community’s success. With the ongoing support of our donors, partners, Board and volunteers, Anargyroi: Foundation, Inc, the UST FMS Foundation, is ready for the challenges and achievements ahead in 2020.

Ma. Lourdes Domingo-Maglinao, MD, MHPEd
Dean, UST Faculty of Medicine and Surgery
President, Anargyroi: FMS Foundation, Inc.
Great achievement is usually born of great sacrifice, and is never the result of selfishness."

- Napoleon Hill -

One that can be considered a beginner, this Foundation of the UST Faculty of Medicine and Surgery has met many challenges and undoubtedly would continue to do so. However, no challenge is insurmountable when confronted by a collective group who believes in what the Foundation stands for. As time, talent, and effort of Thomasian doctors have been generously shared.

2019 was a good year for the Anargyroii: FMS Foundation (AFI), Inc. Not only did we see more active doctors, we also saw students of the Faculty of Medicine and Surgery supporting their teachers and the different projects, beneficiary of which are the Programs of the Foundation. The early exposure of the medical students to the value of community sharing and giving will help ensure the place of UST FMS in the field of medical education.

One of the more notable activities of the AFI was the Strategic Planning and Fundraising Workshop last September 13, 2019 held at Manila Hotel and was attended by the Board of Trustees and the different Committee Chairs. This seminar-workshop has given enough courage for the Foundation to dream together with the FMS on the Simulation Laboratory and Research Center. This Center is part of the Modernization of Facilities Program, a timely response to the never ending challenges faced by education brought about by technology. The Simulation Laboratory and Research Center will also be the lasting gift to the many more future Thomasian doctors as the Faculty of Medicine celebrates its 150th Foundation.

As 2021 is the year to look forward to, the different fund raising activities have been centered on the Sesquicentennial Celebration and the Simulation Laboratory. There was the Faculty Showdown, which showcased the artistic talents of the doctors. There were also sports events such as the Fun Run and Golf Tournament that were equally received with much enthusiasm.

AFI also supported the continuing project of the Sesquicentennial Merchandise committee. As one buys any of the merchandise, one is able to donate.

The Foundation was also invited by the University of Santo Tomas Medical Alumni Association (USTMAA) to join them in the inauguration of its Cebu Chapter. This gave the Foundation a chance not only to introduce itself but update FMS alumni of what is going on in the home front. AFI was also invited to two chapters in Northern Luzon, USTMAA Olongapo and Pampanga, that gave AFI a chance to reconnect and reach out to its alumni.

The flagship project of AFI, the Regent Scholarship Program, continues to receive support from alumni and friends. For school year 2019-2020, it has 13 scholars who continue to do well in their studies and have done their share of paying forward.

As they say, great things are not done by impulse, but by a series of small things brought together. A little progress adds up to big results.

AFI would like to acknowledge everybody who has made a contribution to 2019.
Executive Director’s Report
Planning and Workshop

Last September 13, 2019, the Anargyroì: FMS Foundation, Inc. (AFI) held a Strategic Planning and Fundraising workshop at the Manila Hotel. The event was well attended by the heads of the different committees of both Anargyroì and the UST FMS Sesquicentennial Celebration. Also in attendance were Dr. Ma. Lourdes Maglinao (UST FMS Dean), Rev. Fr. Angel Aparicio, OP (UST FMS Regent), Rev. Fr. Richard G. Ang, OP (UST Vice Rector) and Rev. Fr. Jesus M. Miranda, Jr., OP (UST Secretary General). They are also Board Members of AFI.

The event was facilitated by Ms. Mayan Quebral, a free-lance fund raising consultant. She co-founded the Venture for Fund Raising in 1999 and held key posts at UNICEF, Save the Children and Asian Institute of Management.

Ms. Quebral presented the basics of fund raising and how it involves the management of relationships. She also discussed the planning process for fund raising and the importance of having a good fund raising structure and system.

The event proved to be a vital learning experience for everyone present.

Top (L-R): Dr. Larry King, Dr. Bee Giok Tan-Sales, Dr. Karen Capuz, Dr. Tim Trinidad, Dr. Josefino Sanchez, Dr. Norberto Martinez, Dr. Myra Caja, Dr. Patrick Moral, Dr. Wilhelmina Mercado, Dr. Peregrina Gonzaga, Dr. Consuelo Suarez, Dr. Tricia Bautista, Ms. Annette Ward
Bottom (L-R): Dr. Clifton Pe, Dr. Romy Díaz, Dr. Corazon Gemil, Fr. Angel Aparicio, Ms. Mayan Quebral, Dr. Ma. Lourdes Maglinao, Dr. Willie Lagdameo, Dr. Charles Cuaso, Dr. Estrellita Ruiz
Cebu

AFI joined USTMAAP President, Dr. George Co as USTMAA Cebu Chapter had its first meeting and election last June 5, 2019 held at SEDA Hotel. AFI was represented by its President and Dean of FMS, Dr. Ma. Lourdes Maglinao and the Regent, Fr. Angel Aparicio, O.P. Dean Maglinao took this opportunity to link with the alumni, invite them to the Sesquicentennial celebration of USTFMS, and introduce Anargyroi: FMS Foundation, Inc. The Cebu Chapter is led by Dr. Cymmer Go, an enthusiastic alumnus who was able to gather 50 alumni in the region.
As a prelude to the Sesquicentennial celebration, the Faculty of Medicine and Surgery showcased the various talents of the faculty staff and its students in a friendly competition entitled “Faculty Showdown…Roaring to 150” with “Swinging Seventies” as the theme. This was held last February 21, 2019 at 6:00 to 10:00 PM, at the Medicine Cinematatorium, 4th floor, St. Martin de Porres Building. This activity aimed to foster camaraderie and team spirit among the faculty and students through a friendly competition of 70’s inspired songs and dances.

Cluster 2 won as the most popular cluster based on the number of popularity votes and the turnout of Facebook likes. Likewise, the same cluster was declared over-all champion. This Cluster is composed of the following: First Year students, Departments of Obstetrics and Gynecology, Biochemistry, Anatomy, Pathology, ENT, and Ophthalmology.
In celebration of the 150 years of the UST Faculty of Medicine and Surgery, as a support of its on-going and continuing activities, a fund raising event in the form of a golf tournament, was held in benefit of the Anargyrois Foundation.

This tournament was a one day event, held at Wack Wack Golf and Country Club on January 14, 2020. It started with registration as early as 5:30am, Shotgun Tee off followed at 8:00am.

Each golf ticket was priced at P5,000.00, to include the green fee, caddie fee, lunch and the chance to win premium and minor raffle prizes.

A total of 18 holes were designated for hole sponsorships at P80,000.00 per sponsor, with hole assignments arranged by the organizing committee. The committee raised Php 605,000.00.

There were trophies awarded to the Lowest Gross score, and Lowest Net score, and corresponding Champions and Runners up of Class A, B and C. Fun prizes was awarded for the longest drive, most accurate drive, and nearest the pin! The tournament format is Modified Stableford Points System. Lunch and fellowship program – awarding of winners plus raffles and entertainment follows after the golf tournament.
Executive Director’s Report

Fun Run

The UST Faculty of Medicine and Surgery in cooperation with the Anargyroi: FMS Foundation, Inc. successfully held the Sesquicentennial Fun Run 2019 last March 24, 2019 at the UST Campus. The event was spearheaded by Dr. Alberto Paulino Jr., with Dr. George Co, Jr. as the Co-Chair. The committee members included Dr. Alfred Lasala, the Race Director, Dr. Marga Gellaco, Dr. Robert Chan, Dr. Warren Bacorro, Ms. Almira Daguman, and Mr. Lance Estefiar (the Medicine Student Council President).

It was a well-attended event with around 150 runners composed of UST FMS alumni, faculty, students, support staff, and immediate family members of the faculty and alumni, topping the list were the FMS Regent, Fr. Angel A. Aparicio, O.P., FMS Dean, Dr. Ma. Lourdes D. Maglinao, and Dr. Willie N. Lagdameo as representative of AFI.

The runners had a wonderful stretching prior to the run led by Coach Jim and Toni Saret and our friends from the College of Rehabilitation Sciences led by Ms. Stephanie Pagarigan.

The gun start was at 6:30 AM and the run was over by 8:00 AM with the following winners:

In preparation for the 2021 celebration, the UST-FMS formed the Committee on Souvenirs. The Regent of UST FMS, Rev. Fr. Angel A. Aparicio, O.P. appointed Dr. Peregrina Gonzaga, Chair of the Department of Gross and Clinical Anatomy as the head of the Committee.

The main function of the committee is to procure and make available merchandises that are associated to or reflect the significance and festivity of the 150th year anniversary of the UST-FMS. The committee began by designing t-shirts with the sesquicentennial logo. Promotional events were held such as T-shirt design contest among the first-year medical students where the winning design was mass produced. The earnings from the sales, including the capital, and assistance from the Anargyroi: FMS Foundation, Inc, was again utilized to buy more creative merchandises such as mugs, keychains, tumblers, emblems, ballpens, string bags, tote bags, umbrellas, decorative magnetic designs, car plates etc.

Upcoming items are personalized Littman stethoscopes, pulse-oximeter, hoodies and jackets. The proceeds will be used as additional financial support to the different projects of the UST FMS, primary of which is the construction of the Simulation Center. The other purpose of the committee is to increase the Thomasian, as well as, the public’s awareness of this very significant event.

The Committee on Souvenir formed two subcommittees in order to streamline their tasks. The 1st merchandise group oversees the high end products. These include the limited edition Seiko watch with the UST 150 logo. There will only be 150 proud alumni doctor owners. The 2nd merchandise group is in charge of souvenir items that are more budget-friendly.

On-line services and website promotion will be available soon especially with the increasing demands from the alumni. Although the work of the Committee on Souvenirs necessitates physical presence and expenditure of personal time, the members of the Committee are dedicated doctors and staff of the UST-FMS. Their commitment as Thomasians are undoubtedly manifested in the perseverance and enthusiasm they demonstrate in their work.

As one avails of any of these merchandise, one supports ones Alma Mater and make known the historical event come 2021.

Class of 2022

CALLEJA, Maureen Althea  LIN, Kimberly  MATA, Joed Ivan
**Electoral Members**

**Board Of Trustees/Incorporators**

**Dr. Ma. Lourdes D. Maglinao**
She took her pre-med course at the University of Santo Tomas and belonged to the Accelerated Class of BS Biology 1982. Thereafter, she finished her degree of Doctor of Medicine in 1986. She took her post-graduate medical internship at the University of Santo Tomas Hospital and was a member of the Most Outstanding Medical Interns Group in 1987. She took her residency training in Neurosurgery also in UST, making her the first female neurosurgeons trained in the Asian Region.

**Rev. Fr. Richard G. Ang, OP, PhD**
He is currently the Vice-Rector of the University of Santo Tomas. He is concurrently the Dean of the UST Ecclesiastical Faculty of Philosophy. He is also the Chair of the various University Committees such as the Manpower Committee, Scholarship Committee and Retirement Board. Fr. Ang is a member of the various University Councils—Economic Council, Council of Regents and Academic Senate.

**Rev. Fr. Jesus M. Miranda, OP**
He is currently the Secretary General of the University of Santo Tomas (UST). He is concurrently the Editor of the "Philippiniana Sacra": The Official Publication of the University of Santo Tomas Ecclesiastical Faculties and a columnist (opinion page) of The Manila Times.

**Rev. Fr. Angel A. Aparicio, OP**
He is the Prefect of the UST Miguel de Benavides Library, a position he has handled since 1992, and Regent of the UST Faculty of Medicine and Surgery. He is also a professor at the Faculty of Theology where he teaches Sacred Scriptures. He is also a regular contributor to ‘Life Today’, Fr. Aparicio has written several articles on the Bible.

**Dr. Willie N. Lagdameo**
He is a Pediatric Surgeon for the past 45 years, with pioneering accomplishments in the treatment of Hirschspring’s Disease in infants for which he received the TOYM Award (Ten Outstanding Young Men) in 1980. In 1983, he was selected as the First International Guest Scholar from the Philippines by the American College of Surgeons. He still practices at UST Hospital, Cardinal Santos Medical Center and The Medical City.

**Dr. Corazon G. Gemil**
She is a retired Obstetrician and Gynecologist, a diplomate of American Board of OB Gyn and American College of Surgeons. Her practice focused on Minimally Invasive Gyn procedures from the early 1970s to 2016, culminating in the formation of a Robotic Surgery Team in 2012 at Chester County Hospital–University of Pennsylvania Health System.

**Dr. Norberto V. Martinez**
He has been in his current position as Professor I at University of Santo Tomas Faculty of Medicine and Surgery since 2015. Dr. Martinez was also assigned as the Chairman for the Department of Otorhinolaryngology, University of Santo Tomas Hospital. He was also assigned as the Chief of Section of the Hearing and Balance Disorders of the International Institute for Neurosciences at St. Luke’s Medical Center – Global City.
Dr. Tim S. Trinidad
He is professor in the Department of Physiology, UST Faculty of Medicine and Surgery since 1993. Despite being busy practicing pulmonary specialist at the UST hospital and St. Luke’s Medical Center, he allots a significant portion of this professional time in the academics. Motivated by his predecessors and students, he instituted innovative and highly interactive teaching methods when he served as the department chair for 6 years. For his effort he was awarded as Teacher of the Year and Most Inspiring Professors in 2000 and 2009 respectively.

Dr. Jocelyn Mariano
She graduated from the UST Faculty of Medicine and Surgery in 1989 specializing in obstetrics and gynecology. She is also a gynecologic oncologist. Dr. Mariano is an active faculty member of the UST Faculty of Medicine and Surgery where teaches Obstetrics and Gynecology. She is also the President of the UST Medical Alumni Association and the Director of their USTMAA-ALALAY Project.

Dr. Antonio R. Penilla
He is a retired Interventional Cardiologist with primary focus of Acute Myocardial Infarction and various coronary interventions. An Emeritus Fellow of the American College of Cardiology and the Society for Cardiac Angiography and Interventions. A Knight of the Equestrian Order of the Holy Sepulchre of Jerusalem. Former Clinical Assistant Professor of Medicine at the St. Louis University School of Medicine. Chief of Cardiology and Director of the Cardiac Catheterization Laboratory and Interventional Cardiology at Christian Hospital and De Paul Health Center respectively in St. Louis, Missouri. He is active in medical missions to the Philippines. Received awards from Christian Hospital Foundation, as 2013 Physician of the Year; 2007 USTMAAA Most Outstanding Jubilarian and USTMAA 1992 Most Outstanding Silver Jubilarian.

Dr. Stella Evangelista
Graduated from the University of Santo Tomas Faculty of Medicine and Surgery in Manila, Philippines in 1968. Following graduation, Dr. Stella completed her internship at Columbus Hospital in Chicago and her residency at Cook County Hospital in Chicago, before moving to Michigan for her fellowship in Pediatrics at Wayne County General Hospital. Dr. Stella was affiliated with St. Mary’s Hospital and ran her private practice for 25 years, serving Livonia and nearby communities.

Dr. Erwin Gonzales
He is a retired Physiatrist who held Professorships in PM&R at Columbia University P&S, Mt.Sinai and Albert Einstein Medical Schools in NYC. He is past president of American Academy PM&R and 2015 recipient of the specialty’s highest honor, the Krusen Lifetime Achievement. He delivered the M. Alimurong Lectureship as a USTFMS silver jubilarian in 1992. He is recipient of other honors including NYC Best Doctors. He is a pioneer in Intraoperative Evoked Potential Monitoring, Musculoskeletal Physiatry and renowned clinician, teacher, mentor, lecturer, author and editor of medical journal articles and books such as “The Physiological Basis of Rehabilitation Medicine” and “The Non Surgical Management of Low Back Pain”.

Dr. Bee Giok Tan-Sales
She graduated from the UST Faculty of Medicine and Surgery in 1976. She received her Philippine Physician’s License in 1977. Dr. Tan-Sales passed the New York Federal Licensure Exam on June 1983 and the Philippine Board of Rehabilitation Medicine on October of the same year.
Electoral Members
Board Of Trustees/Incorporators

**Drs. Peter Fang and Linda Sy-Fang**
Graduated with honors from the UST Faculty of Medicine and Surgery – Peter as Magna Cum Laude and Linda as Cum Laude. They migrated to the US and got married shortly thereafter. Both were trained at Case Western Reserve – Peter in Nephrology and Linda in Dermatology.

They were board certified and had successful practices in the San Francisco Bay Area. Peter established a financial investment partnership in the middle of his career, while Linda continued to practice Dermatology and started a skin-care product company. They are now retired and are involved in charitable organizations. They were among the first to establish the Class ’67 Foundation which supported the building of the UST Faculty of Medicine and Surgery’s Continuing Medical Education Auditorium as a Silver Jubilee legacy.

They spearheaded the initial funding of the creation of the UST FMS Development Office and the Anargyro: FMS Foundation. Peter and Linda are the first ever recipients of the Saint Cosmas and Saint Damian Allegiance Award given by the UST Faculty of Medicine and Surgery for being shining examples of loyalty, allegiance, and generosity to their Alma Mater.

**Dr. Gil Gonzalez**
A graduate of UST Medicine Class 1979, and he was the President of the UST Medical Alumni Association which he represented at the time of incorporation of Anargyro in 2017. Since 2016 he has served the position of Chair of the Department of Obstetrics and Gynecology of the UST Faculty of Medicine & Surgery where holds the rank of Professor I. He was President of the Philippine Society for Cervical Pathology (PSCPC) in 2007-2008 and of the Society of Gynecologic Oncologists of the Philippines (SGOP) in 2011-2012. He has also been a Member of the Board of Trustees of the Philippine Obstetrical and Gynecological Society (POGS) multiple times since 1998. He continues to be the Head of the Gynecologic Oncology Unit of the UST Hospital-Benavides Cancer Institute since its establishment in 2006.
AFI is grateful to the former Vice-Rector and now Rector of the University of Santo Tomas, Rev. Fr. Richard Ang, O.P. as he was an active Trustee.

Furthermore, he was a voice of reason during Board meetings. He comes highly qualified as the 97th Rector of the oldest existing University in Asia. He is a loyal Thomasiain as he earned all his degrees from the University. He has a Doctorate in Philosophy, (Summa Cum Laude). He earned his Licentiate in Sacred Theology and MA in Religious Studies, (Magna Cum Laude), Bachelor in Sacred Theology, 1997 (Summa Cum Laude) and Licentiate in Philosophy, 1994 (Magna Cum Laude), and Bachelor of Arts in Philosophy, 1990 (Cum Laude). His areas of specialization are: Rational Psychology and Oriental Philosophy.

He has published a book entitled: Between the Confucian Li and Ren: a philosophical hermeneutics, Manila Philippines: UST Publishing House, 2018. He has also written several articles on his field of expertise.

Acknowledging his leadership skills, he has held several key positions in the University, to name a few: Chairman of the Manpower Committee, Chairman of the Scholarship Committee, Chairman of the Retirement Board, Member of the Economic Council, Member of the Council of Regents, Member of the Academic Senate, Dean of the Faculty of Philosophy, and Director of the Purchasing Office.

As the 97th Rector of the University, we wish Rev. Fr. Richard Ang, O.P. fruitful years ahead of him amidst the challenges of the times.

DONATIONS AND EXPENSES SUMMARY

35.8M
Total Donations

26.9M
Donations for Programs

6.3M
Total Expenses

29.5M
Excess of Donations after Expenses
For three years, Anargyro FMS Foundation, Inc. has raised 35.8 Million pesos including the dollar donations.

- Funds raised for the Programs consists of the Scholarship and Simulation.
- Donations for Scholarships were cash gifts from our top three donors; Drs. Peter and Linda Fang, USTMAAAF and UST FMS Class 1968.
- Donations for Operations were cash gifts from our top three donors; Drs. Peter and Linda Fang, Dr. Erwin Gonzalez, and Dr. Cora Gemil.
• The 55% of the 6.3 Million was allocated for the Flagship Scholarship Program which spent almost 4 Million from 2017 to 2019.
• While the 44% were spent for the Bank Management Fund and DO–AR Operations.
How to Support Our Vision?
Anargyroi was founded on the generosity of its Alumni and much of what it is today is a result of their guidance and commitment. We depend on these voluntary contributions from alumni and friends. If you would like to make a donation, here’s how:

For Peso Donations:

BANCO DE ORO (BDO) Account
Account name: ANARGYROI: FMS FOUNDATION INC
Account number: 05000-865-7875

Please make checks payable to “ANARGYROI FMS FOUNDATION INC”

For Dollar Contributions:

Option 1: Donors from the US can mail checks written to USTMAAAF.MEMO: ANARGYROI
❷ Address: USTMAAA Foundation Executive Office
7071 Orchard Lake Road
West Bloomfield, Michigan 48322 U.S.A.
❷ Tel No: (248) 626 2878
❷ Email: ustmaaa@aol.com

Option 2: If USD donation is from abroad, deposit can be done through the SWIFT Code (Society for Worldwide Interbank Financial Telecommunication Code) using the following details:

BDO Account
❷ Receiving Bank: Wells Fargo Bank, N.A. (formerly Wachovia Bank)
❷ Address: 375 Park Avenue NY 4080 United States 10152
❷ SWIFT code (BIC): PNBPUS3NNYC
❷ ABA/Routing No.: 026005092
❷ BDO PB’s Account number with Wells Fargo: 2000191003794
❷ Beneficiary Bank: BDO Private Bank, Inc.
❷ SWIFT Code (BIC): BOPBPHMM

Please notify the Anargyroi: FMS Foundation, Inc. Development Office upon every transaction by sending the Donor Name, Amount of Donation, Preferred Project to Support, and Date of Donation to developmentoffice@anargyroifoundation.org
